See details below.

This is a form for prospective participants to register for inclusion in a Neil Joynt Day Class. Their participation in the class will be confirmed by the host club on a day they set and when the participant has paid the fee of \$90 for an NAW member or \$140 for a non-member.

Participants will be selected on a first-in-first-served basis with the additional priority of: First - members of the host club who are also members of the NAW; Second - members of other clubs who are also members of the NAW; Third - other members of the host club; Fourth - other people.

The class will choose one of the demonstration subjects, and then the exact form of that item, to make during their class. All students will make the same item.
