

# PARTICIPATION 2020

At YMCA Camp Adair 30 Oct - 1 Nov

# PARTICIPATION 2020

Run by South Auckland Woodturners Guild

*It's on again 30 October to 1 November*

**Woodturning for Everyone**

**Sharing, Watching, Learning, Teaching, Enjoying**

**When:** Fri 30<sup>th</sup> from 8:00am til late, Sat 31<sup>st</sup> 7:30am til late  
and Sun 1<sup>st</sup> 7:30am to 3:00pm

Or come on Thursday 29 October as well. See below for details.

**Where:** YMCA Camp Adair, Hunua (Food and beds Friday to Sunday).

The theme for the weekend, with prizes for the best ones, is "Gifting".

There will be prizes for the best gift for Kidz First and the best wig stand to gift to LGFB.  
Each participant will be given a piece of timber to make a bowl or gift for Kidz First at Christmas.

## Bring a lathe and stay for the whole weekend

Don't have a lathe? You can book a club lathe. \$40 for the weekend.  
This lathe hire fee does not apply to overseas visitors (incl Cook Strait).  
Everyone bring some wood – or purchase on site from the shop and sponsors.  
Bottomless tea and coffee (cake if someone gives it). Thursday lunch BYO.  
No beds Thursday but meals and beds from noon Friday to Sunday lunch.

### Sponsors for the weekend:

**Woodcut Tools.** Makers of chisels, bowl savers, hollowing tools, sharpening jigs, and more.

## **Health and Safety Guidelines For events outside the clubrooms**

**After you have signed this form the organisers of this event expect you to abide by these guidelines without further briefings for the duration of this event.**

**In all emergencies, follow the directions of the Health and Safety Officer.**

### **Emergency Evacuations Fire**

Make sure you are familiar with the location of the fire alarm activation switches and the evacuation assembly area.

In the event of fire being discovered sound the alarm by activating the nearest fire alarm switch.

All personnel are to evacuate the building immediately and assemble at the Evacuation Assembly Area and remain there until given the all clear by the Health and Safety Officer.

The Health and Safety Officer or his deputy is to call 111 to advise the Fire Service.

### **Earthquake**

Switch off equipment. Take cover under tables or in doorways, crouched face down, head and neck covered away from windows. If no tables are available crouch face down, head and neck covered on the floor against the wall.

### **Volcanic Eruption and Flooding**

Listen to and follow the instructions of the Health and Safety Officer.

### **Setup of equipment**

Upon your arrival at the venue you will be allocated a space for your use during the weekend.

You are responsible for all aspects of setting up your equipment in a safe manner. This includes, but is not limited to, the provision of adequate trolleys / carrying devices to transport equipment and / or supplies into the activity location.

All lathes and other equipment must be placed on the provided carpet squares to minimize damage to the floor.

ALL your equipment and supplies must remain within your designated area.

Do not place anything in walkways where they could be a hazard to other people.

### **Electrical power**

Power cables will be available throughout the designated floor area. Ensure any extension leads / power cables are not damaged and are of a suitable grade/quality for the machinery to be connected to the power supply. Do not overload plug boards etc. with excessive connections.

All power cables are to be kept away from walkways or taped down to prevent tripping. All power cables must be free from damaged outer coverings and have no visible metal wires.

### **Operation of woodturning or other equipment**

Only people registered for the event as Participants are to operate any equipment.

You must follow any instructions given to you by the Health and Safety Officer in regard to any Health and Safety issue.

No-one considered to be under the influence of alcohol or drugs will be permitted to operate any equipment.

Anyone operating any equipment in a manner deemed to be dangerous or inappropriate by the Health and Safety Officer will be removed from the premises.

At all times all machinery must be used in accordance with the manufacturer's instructions and in a manner that will not endanger any other person.

It is your responsibility to ensure that no wood comes off your lathe and harms other people. This may be achieved by using a screen/shield, or turning at low speeds, or placing your lathe so it faces, and is close to, a wall.

In consideration for all other participants and attendees please do not undertake excessive sanding of your wood. Dust is to be kept to a minimum at all times.

Ensure there is no flammable material close to any grinding equipment.

All wood shavings are to be removed from accumulating around equipment on a regular basis to prevent fire danger.

All cloths, rags etc. used for the application of oils and/or polishes must be removed from the building overnight and placed in the open air.

Appropriate Personal Protection Equipment must be worn when operating equipment. The Guild standards of no open-toed footwear, no loose clothing, a face shield while operating a lathe, and safety glasses as a minimum when operating other machinery, will be enforced.

Ensure all equipment is turned off when it is not in use.

Take regular breaks away from your equipment to prevent fatigue.

Do not allow yourself to be distracted by other people while operating any equipment or using tools.

***Remember, it only takes a moment of inattention to have an accident but the effects could be for a lifetime.***

### **Health and Safety acknowledgement form**

I acknowledge that I have been given a copy of the Health and Safety Guidelines for the current event and that I have read and will abide by the rules and recommendations specified within.
