Celebrating 30 years!

There are some wonderful stories within our past and present membership, please join us to hear some of these. You will see some of our favorite projects completed over the last 30 years, meet up with past and present members and talk over some of the events you remember together.

Bring along your own favorite piece to add to our display table. If you have any archived photos of your time in the Guild, please bring those with you as well.

We are catering lunch, and would appreciate knowing if you can be there with us. Please let us know if you can join us at the wonderful celebration by 16th of October for catering purposes.
